

# **\$250 Big Kahuna Hunt Team Tournament**

## Class Specifications

Class #915 \$250 Big Kahuna Hunt Team Tournament

Class Fee: \$20 per rider

\$250 Big Kahuna Hunt Team Tournament

Theme: Island Tropics

Bonus Points Awarded for Festive Gear or Formal Attire. Regular show attire acceptable.

Riders Option.

Hunt Teams will be comprised of two riders. Riders showing at different fence heights may form a team. Riders do not have to be from the same barn.

Riders will compete in the Hunter Derby individually at their designated fence height and receive a score.

The Team also will compete in a Classic type Derby Round simultaneously. Rounds will include the Classic Round; Handy Round; Team Classic Round (riders ride the course together with one side by side jump at the end in the Team Classic Round).

If team members are competing at different fence heights, then riders will show over the lower of the two fence heights for the Team Classic Round at the time that fence height is offered. (e.g. if one team member is competing at 2' and the other at 3', then the Team Classic Round for that team will be over the 2' fence height).

The team members' individual two Derby rounds scores will be combined with their Team Round for their total score. Highest score wins the tournament.

Ribbons 1-8 for all teams. Prizes first through third.

Management may, if necessary, limit the Hunter Derby to a single Handy Round and a Team Classic Round should the number of entries and time limitations dictate.

If 8 or more teams compete, then for an added layer of fun, each team will be randomly grouped into one of the four Island Teams (Oahu, Maui, Lanai, & Molokai). Those team scores will be totaled for that Island Team and a prize will be awarded to the top scoring Island along with the individual team awards.
